

GUATEMALA

2019

JUNE 2 - 16

The 2019 UC Academy Guatemala team will spend a portion of the trip at Ahicam, ministering to the residents at a children's home in Poptun, Guatemala. These children look forward to our team reconnecting annually. They will also be spending time seeing the natural wonders that Guatemala has to offer as well as spending time in Antigua, learning about the coffee industry and visiting local coffee farmers.

HERE'S HOW YOU CAN HELP

PRAY

Pray for our team to be united as part of a service learning team; that each student would be challenged as they engage with the people and culture of Guatemala. Pray that each student would be prepared for service to the boys and girls of Ahicam children's home.
